

Evaluation of PE and Sports Premium Funding (Academic Year 2019- 2020)

In 2019 - 2020, the school was allocated £17 451 PE and Sport Premium grant.

Ofsted (September 2018) found that *leaders have invested the primary school sports and physical education (PE) funding in buying more equipment for pupils to use in PE lessons, during playtime and in afterschool clubs. They have also employed a specialist sports coach to run extra-curricular sport and to support teachers in their teaching of PE.*

The national closure of schools in March significantly impacted on the school’s provision for PE. From March 2020 until September 2020 SJD Sports did not operate in school because of the school’s COVID risk assessment. Swimming lessons and visits by Y2 and Y6 to the English Institute of Sports in Sheffield which were scheduled for the summer term did not take place.

The school achieved Sainsbury’s Silver award July 2019 and had planned to apply for the Gold award in July 2020 but this has not been possible because of the impact of national lockdown.

What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	0
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No

Plan for 2020 - 21

Priorities for funding for 2020/2021 are written with the government COVID guidance and the school's COVID risk assessment in mind. PE lessons will take place outdoors, therefore limiting the range of activities. There aren't any after school clubs or inter school competitions. Dinnertimes are staggered and children remain in their class bubbles, preventing any inter class competitions/events. The school is developing Forest School as part of its curriculum to support physical and mental well being of children.

Funding 2020 – 21 is £17 510
