St Joseph's Wrap Around Care Provision / Free Breakfast Club

At St Joseph's Catholic Primary School, we currently offer high-quality Wraparound Care, providing families with childcare before and after the school day.

From September 2026, we have made some exciting changes to our provision with the introduction of the Government's Free Breakfast Club Programme.

Wraparound Care Provision

Our paid Breakfast Club runs from **7.45am each morning**, and our After-School Club is available until **5.45pm on Tuesdays, Wednesdays and Thursdays**, offering up to **10 hours of childcare each day** in line with the Government's ambition to expand wraparound childcare for working families.

The charges from September 2026 are:

- **Breakfast Club (7.45am to 8.10am): £1.50 per day**
- **After-School Club (until 5.45pm): £6.00 per day**

During the morning session, children are offered a nutritious breakfast with a choice of cereal, bakery items, yoghurt and fresh fruit. During the after-school session, children are provided with healthy snacks as well as a light evening meal.

Further information, including our current menu and photographs of the provision, can be found on our website under **Wraparound Care Provision** or using the following link: [ST. JOSEPH'S CATHOLIC PRIMARY SCHOOL - Wrap around care provision](#)

New Free Breakfast Club from September 2026

We are delighted to announce that our school has been successful in its application to join the Government's **Free Breakfast Club Programme**. Schools across the country are receiving funding to provide access to a free, universal breakfast club for all primary-aged pupils from Reception to Year 6.

From **September 2026**, we will be introducing a **free Breakfast Club**, available to all pupils every school day from **8.10am until 8.40am**, when the school day begins.

Children attending will enjoy a range of healthy breakfast options alongside fun and engaging activities before lessons begin.

Children attending the paid Breakfast Club from **7.45am** will automatically continue into the free Breakfast Club session from **8.10am until 8.40am**. Parents will therefore only be charged for the childcare provided between **7.45am and 8.10am**.

Booking Information

Advance booking is required through **School Comms** for both the paid Wraparound Care provision and the new free Breakfast Club.

Booking in advance is essential so that we can ensure appropriate staffing levels and sufficient food is available for all children attending. Booking for September will be available through School Comms before the end of the summer holidays, and a message will be sent to parents when bookings open.

When children arrive, a member of staff will register them before they enter Breakfast Club.

We are delighted to be able to offer this additional support to our families and look forward to welcoming children to our new free Breakfast Club in September.

Yours Sincerely,

C Williams
