Introduction

Our Behaviour Policy is rooted in our Mission Statement to live in the way Jesus wanted and to love one another as I have loved you. Our values of **love, respect, honesty, justice, forgiveness and hope** underpin everything we do in school. We believe that it is important to always emphasise, recognise and positively reinforce correct behaviour. We believe that children only flourish when they feel that they are respected and listened to by adults.

Statement of intent

St Joseph's Catholic Primary School believes that, in order to facilitate teaching and learning, acceptable behaviour must be demonstrated in all aspects of school life. The school is committed to:

- Promoting desired behaviour.
- Promoting self-esteem, self-discipline, proper regard for authority, and positive relationships based on mutual respect.
- Ensuring equality and fair treatment for all.
- Praising and rewarding good behaviour.
- Challenging and disciplining misbehaviour.
- Providing a safe environment free from disruption, violence, discrimination, bullying and any form of harassment.
- Encouraging positive relationships with parents.
- Developing positive relationships with pupils to enable early intervention.
- A shared approach which involves pupils in the implementation of the school's policy and associated procedures.
- Promoting a culture of praise and encouragement in which all pupils can achieve.

Reasonable and proportionate sanctions will be used where a pupil's behaviour falls below the standard that is expected, alongside support through a restorative approach to prevent recurring misbehaviour.

The school acknowledges that behaviour can sometimes be the result of educational needs, mental health issues, or other needs or vulnerabilities, and will address these needs via an individualised graduated response.

Parents will be responsible for:

Supporting their child in adhering to the school rules and reinforcing this at home.

Informing the school of any changes in circumstances which may affect their child's behaviour.

Definitions

For the purposes of this policy, the school will define "serious unacceptable behaviour" as any behaviour which may cause harm to oneself or others, damage the reputation of the school within the wider community, and/or any illegal behaviour. This will include, but is not limited to, the following:

- **Discrimination** – not giving equal respect to an individual on the basis of age, disability, gender identity, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex, and sexual orientation
- **Harassment** – behaviour towards others which is unwanted, and has the purpose or effect of violating someone's dignity or creating an intimidating, hostile, degrading, humiliating or offensive environment for the individual or group of individuals
- **Vexatious behaviour** – deliberately acting in a manner so as to cause annoyance or irritation
- **Bullying** – is offensive, intimidating, malicious or insulting behaviour that can make a person feel vulnerable, upset, humiliated, undermined or threatened. **Cyberbullying** – the use of electronic communication to bully a person, typically by sending messages of an intimidating or threatening nature
- Possession of legal or illegal drugs, alcohol or tobacco
- Possession of banned items
- Refusing to comply with disciplinary sanctions
- Theft

- Verbal abuse, including swearing, racist remarks and threatening language
- Fighting and aggression
- Persistent disobedience or disruptive behaviour
- Extreme behaviour, such as violence and serious vandalism
- Any behaviour that threatens safety or presents a serious danger
- Any behaviour that seriously inhibits the learning of pupils

For the purposes of this policy, the school will define “low-level unacceptable behaviour” as any behaviour which may disrupt the education of the perpetrator and/or other pupils, including, but not limited to, the following:

- Low-level disruption and talking in class
- Failure to complete classwork
- Rudeness
- Use of mobile phones without permission

“Low-level unacceptable behaviour” may be escalated to “serious unacceptable behaviour”, depending on the severity of the behaviour.

Staff induction, development and support

All new staff will be inducted clearly into the school’s behaviour culture to ensure they understand its rules and routines and how best to support all pupils to participate in creating the culture of the school. Staff will be provided with bespoke training, where necessary, on the needs of pupils at the school to enable behaviour to be managed consistently.

The SLT will consider any appropriate training which is required for staff to meet their duties and functions in accordance with this policy, including on understanding matters which may affect a pupil’s behaviour, e.g. SEND and mental health needs.

Members of staff who have, or are aspiring to have, responsibilities for leading behaviour or supporting pupil wellbeing will be supported to undertake any relevant training or qualifications.

Staff will know where and how to ask for assistance if they’re struggling to build and maintain an effective culture of positive behaviour.

Staff voice will be considered when the school develops and refines its behaviour policies and procedures.

The SLT and the headteacher will review staff training needs annually, and in response to any serious or persistent behaviour issues disrupting the running of the school.

Social, emotional and mental health (SEMH) needs

To help reduce the likelihood of behavioural issues related to SEMH needs, the school will create a safe and calm environment in which positive mental health and wellbeing are promoted and pupils are taught to be resilient. The school will promote resilience as part of a whole-school approach using the following methods:

- **Culture, ethos and environment** – the health and wellbeing of pupils and staff is promoted through the informal curriculum, including leadership practice, policies, values and attitudes, alongside the social and physical environment
- **Teaching** – the curriculum is used to develop pupils' knowledge about health and wellbeing
- **Community engagement** – the school proactively engages with parents, outside agencies and the wider community to promote consistent support for pupils' health and wellbeing

All staff will be made aware of how potentially traumatic adverse childhood experiences, including abuse and neglect, can impact on a pupil's mental health, behaviour, and education. Where vulnerable pupils or groups are identified, provision will be made to support and promote their positive mental health. As far as possible, any likely triggers of misbehaviour will be anticipated and support shall be put in place to prevent these. The school's SEMH Policy outlines the specific procedures that will be used to assess these pupils for any SEMH-related difficulties that could affect their behaviour.

Managing behaviour

Instances of unacceptable behaviour will be taken seriously and dealt with immediately. Staff will respond promptly, predictably and with confidence to maintain a calm, safe learning environment. Staff will consider afterwards how to prevent such behaviour from recurring.

Staff will keep a record of all reported incidents on CPOMs to help identify pupils whose behaviour may indicate potential mental health or safeguarding problems. All staff will be alert to changes in a pupil's behaviour that could indicate they need help or protection.

Pupils will be made aware of the pastoral support structures in place to help them manage their behaviour and how to engage with those structures when needed.

Support, such as targeted discussions with pupils, a phone call with parents, and inquiries into circumstances outside of school by the DSL, will be provided alongside the use of appropriate sanctions to prevent the misbehaviour recurring. After an initial incident of negative behaviour, the following sanctions will be considered, with staff using their professional judgement and experience to determine what is appropriate and reasonable:

- Issuing a verbal reprimand and reminder of the expected behaviour
- Setting a written task, such as an apology letter

- Time taken away from playtime or lunchtime
- Removal of privileges

Where a pupil's misbehaviour is causing significant disruption or is deemed serious enough by a staff member, the following procedures will be followed:

- The pupil is sent to the headteacher immediately or, in the headteacher's absence, the most senior member of staff
- The pastoral lead investigates the incident and decides whether it constitutes unacceptable behaviour
- Where deemed necessary, e.g. after other behavioural strategies in the classroom have been attempted or the behaviour is so extreme as to warrant immediate removal, the pupil will be removed from the classroom
- The pastoral lead or member of SLT will inform the pupil's parents on the same day, where possible, following a decision to remove their child from the classroom, and invite them to discuss the incident

Following repeated incidents of unacceptable behaviour, the following sanctions will be implemented:

- The headteacher will consider whether the pupil should be suspended and will determine the length of the suspension
- Although unacceptable behaviour does not necessarily mean a pupil has SEND, an assessment will be carried out at this stage to determine whether there are any undiagnosed learning or communication difficulties, or mental health issues that may be contributing to the pupil's behaviour
- Where a pupil is identified as having SEMH-related difficulties, SEND support will be put in place
- Where SEND is not identified, but the headteacher determines that support is still required for the pupil, an Individual Behaviour Plan will be created to outline the necessary provisions in place

Following further incidents of unacceptable behaviour, the following sanctions will be implemented:

The headteacher will consider whether a permanent exclusion is necessary alongside alternative options in line with the Suspension and Exclusion Policy.

For disciplinary sanctions to be lawful, the school will ensure that:

- The decision to sanction a pupil is made by a paid member of school staff, or a member of staff authorised to do so by the headteacher.
- The decision to sanction a pupil is made on the school premises or whilst the pupil is under the charge of a member of staff

- The decision to sanction a pupil is reasonable and will not discriminate on any grounds, e.g. equality, SEND or human rights.

The school will ensure that all disciplinary sanctions are reasonable in all circumstances, and will consider the pupil's age, religious requirements, SEMH needs, any SEND, and any other contributing factors, e.g. bullying, safeguarding or home life issues.

Prevention strategies, intervention, and sanctions for unacceptable behaviour

This section outlines the school's strategies for preventing unacceptable behaviour and initial interventions, minimising the severity of incidents, and using a restorative approach to support effectively and appropriately to improve pupils' behaviour in the future.

Initial interventions

A range of initial intervention strategies to help pupils manage their behaviour and reduce the likelihood of more severe sanctions will be used. Support will consider the pupil's specific needs and may be delivered outside of the classroom, in small groups or in one-to-one activities. A system will be in place to ensure relevant members of the SLT and pastoral staff are aware of any pupil that is:

- Persistently misbehaving.
- Not improving their behaviour following low-level sanctions.
- Displaying a sudden change in behaviour from previous patterns of behaviour.

Where the pupil has SEND, an assessment of whether appropriate provision is in place to support the pupil, and if the pupil has an EHC plan, contact with the LA to consider a review of the plan

A multi-agency assessment, such as a Family Assessment of Need (FAN), that goes beyond a pupil's education will be considered where serious concerns about a pupil's behaviour exist.

Behaviour curriculum

Positive behaviour will be taught to all pupils as part of the behaviour curriculum, in order to enable them to understand what behaviour is expected and encouraged and what is unacceptable. Positive reinforcement will be used by staff where expectations are met to acknowledge good behaviour and encourage repetition. The behaviour curriculum will focus on defining positive behaviour and making it clear what this looks like, including the key habits and routines required by the school, e.g. lining up quietly outside the classroom before a lesson.

Routine will be used to teach and reinforce the expected behaviours of all pupils. Appropriate and reasonable adjustments to routines for pupils with additional needs, e.g. SEND, will be made. Consistent and clear language will be used when acknowledging positive behaviour and addressing misbehaviour.

Positive teacher-pupil relationships

Positive teacher-pupil relationships are key to combatting unacceptable behaviour. The school will focus heavily on forming positive relationships based on predictability, fairness and trust to allow teachers to understand their pupils and create a strong foundation from which behavioural change can take place.

Preventative measures for pupils with SEND

Behaviour will always be considered in relation to a pupil's SEND. If it is deemed that a pupil's SEND has contributed to their negative choices, the school will consider whether it is appropriate and lawful to sanction the pupil.

Where a pupil is identified as having SEND, the graduated approach will be used to assess, plan, deliver and review the impact of support being provided.

The school will aim to anticipate likely triggers of misbehaviour and put in place support to prevent these, taking into account the specific circumstances and requirements of the pupil concerned. Measures the school will implement where appropriate include, but are not limited to, the following:

- Short, planned movement breaks for a pupil whose SEND means they find it difficult to sit still for long
- Adjusting uniform requirements for a pupil with sensory issues or relevant medical condition
- Training for staff in understanding neurodiversity and other areas of SEND

De-escalation strategies

Where negative behaviour is present, staff members will implement de-escalation strategies to diffuse the situation. This will include:

- Appearing calm and using a modulated, low tone of voice.
- Using simple, direct language.
- Providing adequate personal space and not blocking a pupil's escape route.
- Showing open, accepting body language
- Reassuring the pupil and creating an outcome goal.

- Identifying any points of agreement to build a rapport.
- Rephrasing requests with positive phrases
- Offering a change of face by inviting another member of staff to take over if needed

Physical intervention

Trained members of staff will have the legal right to use reasonable force to prevent pupils from damaging school property, showing aggression or violence towards staff and/or other pupils, risk of injury to themselves or attempting to leave an area which would increase risk to self or others. Physical restraint will only be used as a last resort. Staff members will use their professional judgement of the incident to decide whether physical intervention is necessary. Wherever possible, staff will ensure that a second member of staff is present to witness the physical intervention used.

After an instance of physical intervention the 'Use of physical intervention record' (appendix 1) will be completed and the pupil's parent will be contacted. Once the form has been signed by the reporting person, parent/carer and headteacher it will be recorded on CPOMs. Where appropriate, the headteacher may decide to temporarily remove the pupil from the school via a suspension. Where suspension is carried out, the pupil's parent will be asked to collect the pupil and take them home.

Any violent or threatening behaviour will not be tolerated by the school and may result in a suspension in the first instance. It is at the discretion of the headteacher to determine what behaviour necessitates an exclusion, in line with the Suspension and Exclusion Policy.

When using reasonable force in response to risks presented by incidents involving pupils with SEND or medical conditions, staff will recognise and consider the vulnerability of these groups and understand their legal duty to make reasonable adjustments for disabled children and children with SEND.

Removal from the classroom

The school will only remove pupils from the classroom where absolutely necessary and for the following reasons:

- To maintain the safety of all pupils and restore stability following an unreasonably high level of disruption
- To enable disruptive pupils to be taken to a place where education can continue in a managed environment
- To allow the pupil to regain calm in a safe space

The school will ensure that pupils' health and safety is not compromised during their time away from the classroom, and that any additional requirements, such as SEND needs, are met.

The staff member in charge and supervising the pupil will decide what the pupil may and may not do during their time spent removed from the classroom. The headteacher will request that the pupil's class teachers set them appropriate work to complete. The headteacher and other appropriate teachers will consider whether any assessment of underlying factors of disruptive behaviour is needed, and facilitate reflection by the pupil on the behaviour that led to their removal from the classroom and what they can do to improve and avoid such behaviour in the future.

The headteacher will establish a clear process for the reintegration of a pupil who has been removed from the classroom when it is deemed appropriate and safe for them to return. Consideration will be given to what support is needed to help the pupil return and meet the expected standards of behaviour.

Sexual abuse and harassment

The school will promote and enforce a zero-tolerance approach to all forms of sexual abuse and harassment, including sexual harassment, gender-based bullying and sexual violence.

The school will respond promptly and appropriately to any sexual harassment complaints in line with the Child Protection and Safeguarding Policy; appropriate steps will be taken to stop the harassment and prevent any reoccurrence. Disciplinary sanctions for incidents of sexual harassment will be determined based on the nature of the case, the ages of those involved and any previous related incidents. In instances where reports of sexual abuse or harassment are proven to be deliberately invented or malicious, the school will consider whether any disciplinary action is appropriate for the individual who made the false reports. The DSL shall be involved in this process.

Where the school is responding to a report of sexual violence, the school will take immediate steps to ensure the victim and other pupils are protected. The DSL will work closely with the Police, and any other agencies as required, to ensure that any action the school takes will not jeopardise the Police investigation.

Smoking and controlled substances

In accordance with the Health Act 2006, the school is a smoke-free environment. Parents, visitors, staff and pupils will be instructed not to smoke on school grounds. Pupils will not be permitted to bring smoking materials or nicotine products to school.

The school will have a zero-tolerance policy on illegal drugs, legal highs and other controlled substances. Where incidents with pupils related to controlled substances occur, the school will follow the procedures outlined in the Child Protection and Safeguarding Policy.

Prohibited items, searching pupils and confiscation

Headteachers and staff authorised by them will have a statutory power to search pupils or their possessions, without consent, where they have reasonable grounds for suspecting that the pupil may have a prohibited item. Authorised members of staff will be permitted to use reasonable force when conducting a search

without consent for the prohibited items listed below. The prohibited items where reasonable force may be used are:

- Knives and weapons.
- Alcohol.
- Illegal drugs.
- Stolen items.
- Tobacco and cigarette papers.
- Fireworks.
- Pornographic images.
- Any article that the member of staff reasonably suspects has been, or is likely to be, used:
 - To commit an offence; or
 - To cause personal injury to any person, including the pupil themselves; or
 - To damage the property of any person, including the pupil themselves.

Pupils will not be permitted to use their mobile phones during the course of the school day. Any pupil found using their mobile phone during the school day will have their device confiscated. Staff members will consider whether confiscation is proportionate and consider any special circumstances relevant to the case. The headteacher will determine the proportionate length of time for confiscation.

Staff members will have the power to search a pupil or their possessions where they have reasonable grounds to suspect a pupil is in possession of a prohibited item. Mobile phones and similar devices will be items that staff may search for.

The school will also identify the following as prohibited items which may be searched for by authorised staff without consent if necessary; however, reasonable force will not be used under any circumstances:

- E-cigarettes and vapes
- Lighters
- Aerosols
- Legal highs/psychoactive substances
- Energy drinks
- Mobile phones

All members of staff can use their power to search without consent for any of the items listed above.

Effective classroom management

Well-managed classrooms are paramount to preventing disruptive and unacceptable behaviour. Effective classroom management will allow staff to:

- Start the year with clear sets of rules and routines that are understood by all pupils.
- Establish agreed rewards and positive reinforcements.
- Establish sanctions for misbehaviour.
- Establish clear responses for handling behavioural problems.
- Encourage respect and development of positive relationships.
- Make effective use of the physical space available.
- Have well-planned lessons with a range of activities to keep pupils stimulated.

Subject to reasonable adjustments, e.g. those made for pupils whose SEND may affect their behaviour, pupils will be expected to follow the school Pupil Code of Conduct, which requires pupils to:

- Conduct themselves around the school premises in a safe, sensible and respectful manner.
- Follow reasonable instructions given by staff.
- Behave in a reasonable and polite manner towards all staff and pupils.
- Show respect for the opinions and beliefs of others.
- Complete classwork as requested.
- Report unacceptable behaviour.
- Show respect for the school environment.

The school has implemented 'Zones of regulation' (appendix 2) to support a consistent approach in encouraging pupils to recognise and communicate their feelings. Staff have been trained to use the zones of regulation and these are displayed around school to provide visual prompts and support for pupils.

Classroom rules and routines

All staff, children, governors and parents recognise that we have the right to learn in an orderly community in which effective learning can take place. As part of our commitment to this right, we have simplified our school rules to enable all our children to embrace them, whether they are four years or eleven years of age.

Our three key rules are:

We have discussed with our children what these words mean, how they can use these words to help them in school and what their behaviour may look like when they are ready, respectful and safe. This is what they think:

- We are **READY** to learn – we arrive at school on time, we have our equipment ready and we show that we are listening
- We are **RESPECTFUL** – we listen when others speak and we respect each other, the property of our friends and the school.
- We are **SAFE** – we move around school in a safe manner, we follow instructions to keep ourselves safe at all times, we use equipment safely and we stay safe online.

Everything we do during our time at St Joseph's revolves around these three rules.

Teachers will support pupils to understand and follow classroom rules and routines. Teachers will inform pupils of classroom rules and routines at the beginning of the academic year and revisit these daily. Teachers will model rules and routines to ensure pupils understand them. Teachers will also explain clearly to pupils what will happen if they breach any classroom rules to ensure pupils are aware of the sanctions that may be imposed.

To support pupils' continued awareness and understanding of classroom rules and routines, teachers will reinforce them in a range of ways. Teachers will also ensure that classroom rules and routines remain consistent and are practised throughout the year to create a more productive and enjoyable environment.

Pupils will be confident in asking for help if they're struggling to meet expectations of behaviour in the classroom. Individually targeted pastoral support will be provided to these pupils when necessary.

Praise and rewards

The school will recognise that praise is key to making pupils feel valued and ensuring that their work and efforts are celebrated. When giving praise, teachers will ensure:

- They define the behaviour that is being rewarded.
- The praise is given immediately following the desired behaviour.
- Praise is related to effort, rather than only to work produced.
- Perseverance and independence are encouraged.

Whilst it is important to receive praise from teachers, the school understands that peer praise is also effective for creating a positive, fun and supportive environment. Teachers will encourage pupils to praise one another, and praise another pupil to the teacher, if they see them modelling good behaviour.

As with praise, the school understands that providing rewards after certain behaviour means that pupils are more likely to model the same behaviour again. For rewards to be effective, the school recognises that they need to be:

- **Immediate** – immediately rewarded following good behaviour.
- **Consistent** – consistently rewarded to maintain the behaviour.
- **Achievable** – keeping rewards achievable to maintain attention and motivation.
- **Fair** – making sure all pupils are fairly rewarded.

Rewards for good behaviour will include, but are not limited to:

- Verbal praise
- Dojo points
- Communicating praise to parents
- Certificates
- Positions of responsibility

Pupils are encouraged to collect dojo points and will receive rewards for the following milestones:

- 150 dojo points – Bronze award is a hot chocolate with the headteacher
- 300 dojo points – Silver award is a personalised treat on the 'special table' at lunchtime
- 500 points – Gold award is a day in non-uniform and a disco

Effective pupil support

The school recognises that the core purpose of providing alternative provision for pupils who struggle to meet expected standards of behaviour is to successfully integrate them back into the regular classroom environment. Alternative provision may also be required for pupils with additional needs.

Designated wellbeing staff will have clearly defined responsibilities, enabling pupils to receive the most effective support. Designated wellbeing staff will also have an accurate view of the needs of identified pupils.

Designated staff will engage with external partners and specialist agencies to access further appropriate support when required.

Behaviour outside of school premises

Pupils at the school must agree to represent the school in a positive manner. Any bullying, including cyberbullying, witnessed outside of the school premises and reported to the school will be dealt with in accordance with the Anti-bullying Policy.

The school will impose the same sanctions for bullying incidents and non-criminal misbehaviour witnessed or reported outside of the school premises as would be imposed for the same behaviour conducted on school premises. In all cases of unacceptable behaviour outside of the school premises, staff will only impose sanctions once the pupil has returned to the school premises or when under the supervision of a member of staff.

Complaints from members of the public about the behaviour of pupils from the school are taken very seriously and will be dealt with in accordance with the Complaints Procedures Policy.

Data collection and behaviour evaluation

The school will collect data from the following sources:

- Behaviour incident data from CPOMs
- Attendance, permanent exclusion and suspension data
- Use of alternative provision
- Incidents of searching, screening and confiscation
- Anonymous surveys for staff, pupils, governors, and other stakeholders on their perceptions and experiences of the school behaviour culture

The data will be monitored and objectively analysed termly by the headteacher. Attempts will be made to identify possible factors contributing to the behaviour, any system problems or inadequacies with existing support. The data will also be analysed considering the protected characteristics under the Equality Act 2010 to inform school policies and practice.

Monitoring and review

This policy will be reviewed by the headteacher on an annual basis; they will make any necessary changes and communicate these to all members of staff and relevant stakeholders.

The next scheduled review date for this policy is September 2027.

Zones of Regulation

In order to support pupils with their emotional regulation, the school has implemented the 'zones of regulation' as a whole school approach. This provides a support system for pupils to use in order to understand and express how they are feeling to a member of staff so they can identify the cause of any concerns or issues which result in a change in behaviour or poor behaviour. The staff have prompt cards they can use with pupils who struggle to communicate how they feel and provide support through specific questioning such as 'I think you may be in the ... zone because I can see you are ...' or 'Do you feel you are in the ... zone right now?' Each classroom also has a zones of regulation display and these are referred to regularly to ensure pupils fully understand and engage with them so they can relate their own feelings and behaviour to each zone.
