Butterfly facts!

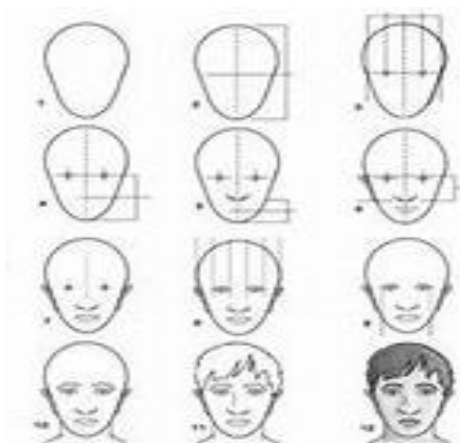

Sports day!

On Tuesday and Wednesday, we had sports day. Whilst the Y6s helped the rest of the school participated and everyone had a great time. And a big well done to miss Casey for winning the teachers race.

How to draw a face!

Road Safety

As a lot of us know, an incident happened a few days ago on Tuesday on the roads. As Green Lane is a very busy road we all must take precautions to keep safe. So when crossing make sure you are not on a phone or distracted. So make sure in the future to be careful and be able cross the roads safely.

Head boy and head girl reminder:

Make sure you tell your teachers what you have planned for the 6 week holidays!
