

### School Uniform Policy

From September 2019 our school uniform policy is to include black shoes or black trainers as part of the school uniform. If you choose your child to wear black trainers during school time, it is advisable that they have a separate pair of trainers or pumps for PE, so they do not drag mud into school.

The wearing of school uniform is school policy and by sending your child here you are agreeing to this. PE kit is also a part of this. All items are readily available in chain stores or Pinders. Please place your child's name in each item, so they can be returned if lost.
